Support: The Specifications [EN]

For a full PC you need in addition :

- Intel Core i3/i5/i7 Mobile CPU (Sandy Brdige, LGA1155)
- 1x SO-DDR-III RAM
- 1x 3.5" HDD (or 2.5" HDD/SSD)

Maestro 650 AIO is a full HD 21.5" LED monitor with high brightness and contrast. Combined with an Intel 65W Ivy Bridge (Sandy Bridge) CPU it fulfills all of your entertainment requirements.

Real surround sound effects bring your senses alive. The easy-to-use gesture recognition system and advance touch panel make the Maestro 650 the best entertainment computer.
