- Bicycle mount
- Quick device removal
- No key lock
- Stable handlebar mounting

The RAM-BIKE-01 is a bicycle mount for the Topicon MDT665 without a key lock. It is ideal for applications where the device needs to be inserted and removed quickly.

The mount provides stable retention for mobile use on the handlebar or similar positions. This makes it a good choice for delivery, service and leisure applications.

A functional mounting solution for using the MDT665 on a bicycle.
