- 7H glass screen protector
- Anti-glare surface
- Scratch protection
- For MDT1065

The SCR-1065-GL is a glare-type 7H glass screen protector for the MDT1065. It helps protect the display surface against scratches and everyday wear while supporting better readability in bright environments.

It is a practical accessory for vehicle and field use where screen protection and reduced reflections are important.

**Compatible with:** Topicon MDT1065
